

Call for position

Delegate for open science

We are currently looking for a **Delegate for Open Science** to represent actionuni in relevant national and institutional bodies. This role involves engaging with the evolving landscape of open research practices and ensuring that academic mid-level staff concerns—such as data access, authorship, recognition, and infrastructure—are meaningfully addressed. Familiarity with open science practices, policies, and especially the challenges faced by academic mid-level academic staff is highly valued.

Main responsibilities include:

- representing actionuni in open science-related discussions and working groups
- advocating for mid-level staff interests in policy development and implementation
- liaising with researchers and national organizations
- reporting back to actionuni members and contributing to our strategic agenda

Language requirements: Working proficiency in **English** and at least one Swiss national language (**German** or **French**) is essential for effective participation and communication.

We warmly encourage you to get in touch if you are interested in contributing to a more open and equitable research system.

If you are interested, please send your CV and a short letter of interest to Laure and Joanna, actionuni current presidents : president@actionuni.ch
